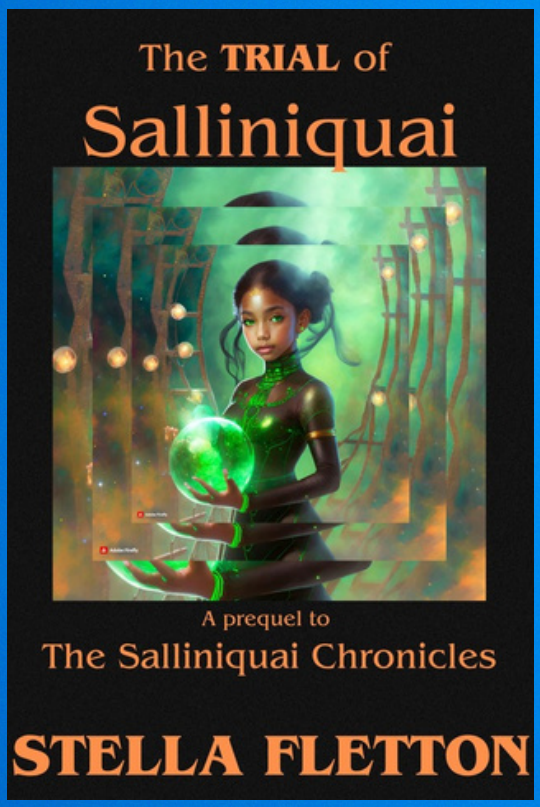
THE SALLINIQUAI CHRONICLES

A young Empress. A restless soul. A quest that spans worlds.

In this high-stakes, epic adventure, Empress Salliniquai—a soul with a cosmic destiny, risks everything to prove her worthiness to know true love on Earth.

While she remains true to an important mystical charge, she has only four lives to get it right.

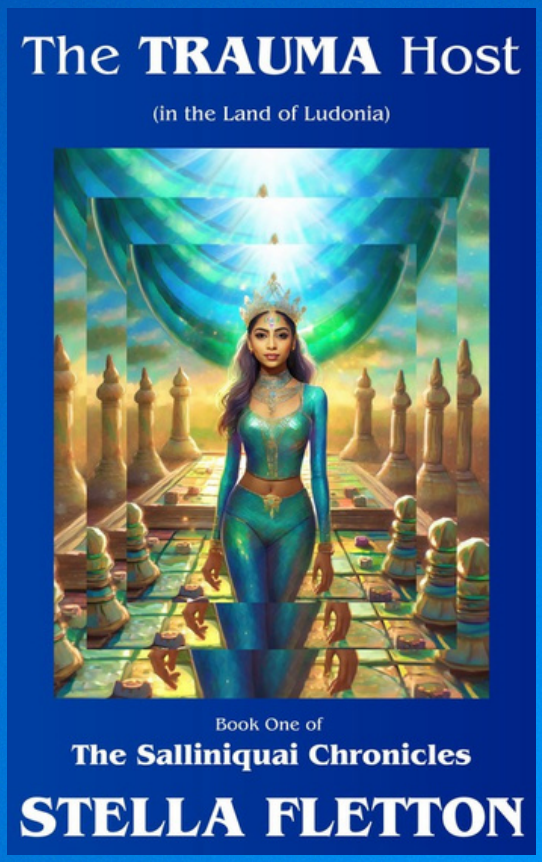


In the prequel, *The Trial of Salliniquai,* a schoolgirl must play a magical Game of Death before the secret entity within her can start a human Game of Life in this urban fantasy.

Content warning:
This book contains adult themes, and scenes that some readers may find distressing, including; violence, and threats of death.

Having proved herself capable of surviving a combination of magical and mundane elements in her trial upon the earth, the story continues when Salliniquai demands to be sent back into the host body of a human woman, to experience the love of a human man.

She gets more than she bargained for when her empresserial energy separates into four streams and she is forced to live four separate lives...



In this full fantasy novel, *The Trauma Host,* book one, Salliniquai's first foray into womanhood occurs when as a young schoolteacher, she falls down the stairs and becomes trapped in a coma.

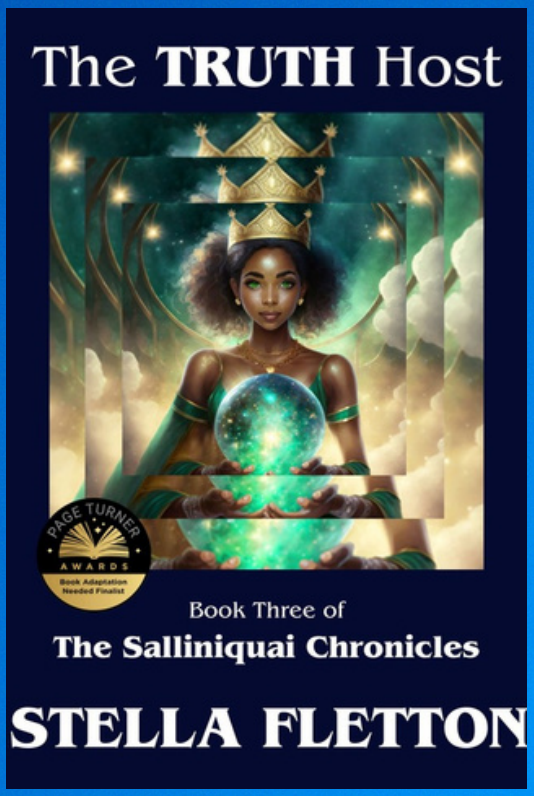
She awakens in the subconscious Land of Ludonia —unaware she is living one of four crucial human incarnations that will either save humanity or destroy it.

Content warning:
This book contains adult themes, and scenes that some readers may find distressing, including mild sexual content. Discussions on death, and parental death.

In book two; an urban fantasy, *The Trust Host* is orphan Sallie Chambers, who struggles to cope when murder and mayhem turn a glamourous cruise ship job into a disaster.

Guided by a charming knight with unrivalled loyalty, she must trust him, her own inner voice, and recognise the truth of who she really is... before time runs out.

Content warning:
This book contains adult themes, and scenes that some readers may find distressing, including; mild sexual content, scenes of death, rape, stalking, and murder. Mentions of child sexual abuse, and religious bullying.



In book three; an intriguing, crime-fighting mystery, after battling with family and leaving home, scarred-faced Sallyanne Roserie; *The Truth Host*, joins the British Police Service only to find her true battle has only just begun.

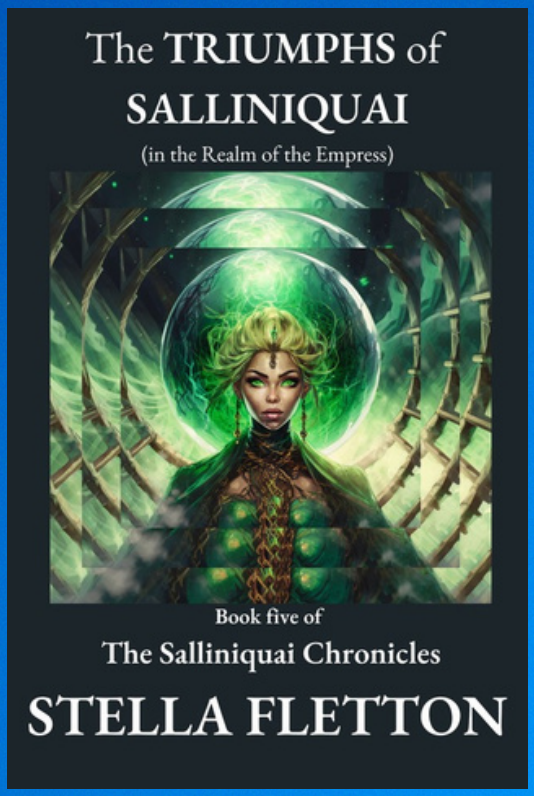
Only one man can save her: a humble, tai-chi practicing, bookshop owner; who is really a knight of the Brotherhood of the Nine in disguise.

Content warning:
This book contains adult themes, and scenes that some readers may find distressing, including; graphic sexual content, and scenes of violence. Depictions of sexual assault, sexual deviancy, paedophilia, religious bullying, and rape.

In the penultimate book four; a steamy romance with a touch of magic, Sallori Tessler loses everything she deeply values, and a trip with a motley crew of pagan campers proves vital in deciding her future.

As *The Transformation Host*, when all else fails, trusting her spirituality, and her guide—a knight of the Brotherhood of the Nine, is all that counts.

Content warning:
This book contains adult themes, and graphic sexual content. Discussions of paedophilia, religious bullying, and racism. Mentions parental death.



It is action all the way in book five; *The Triumphs of Salliniquai.*

The four incarnations and the Knights of the Brotherhood of the Nine return to the Empress's realm, only to find it is a race against time to reach the Planes of the Malsimily.

This is where the Empress must challenge the emperor, and save humanity by ushering in the aquarian age.

Content warning:
This book contains adult themes, and mild sexual content.

COMING SOON ...

The Dream Knight (and the nine books of stone)
A spin-off book from The Salliniquai Chronicles.

The Dream Knight is an ancient warrior knight who has come to earth charged to destroy nine evil books that are spreading patriarchal corruption.

While every book fights back with all the power they possess, the last book is the most dangerous, and needs all hands on deck to defeat it. Join the Salliniquai incarnations and the knights from the brotherhood of the nine in this action packed, not for the feint hearted, mystical adventure.

Content warning:
This book contains adult themes, and scenes that some readers may find distressing, including graphic sexual content, and scenes of violence. Depictions of sexual deviancy, warmongering, paedophilia, religious bullying, and suicidal terrorism. References to prostitution and stalking.
